

On 24.10.2022 was held the DBIHK Legal and economic day – a traditional event, during which the members of the DBIHK present practically orientated topics for the business. During this year's event were discussed topics including the protection of whistleblowers, the introduction of EU regulations in the field of digital markets and digital services, etc. Dobrev & Lyutskanov Law Firm was represented by Attorney-at-Law Lyuben Todev, who reviewed the problems before the cooperation between public and private sector in Bulgaria.
